"I Wanted to Sleep Like I Worked," Shophand Says

George Tillotson, of Cambridge, Vt., says: "I suffered for two years with kidney trouble, which brought on nervousness. I had rheumatism in my back and hips and my kidneys troubled me so I would have to get up many times during the night. I was so nervous, I trembled at the least little thing and I could not sleep. I worked hard all day and all I wanted was to sleep the way I had to work."

"Finally, I began taking Goldine and it was wonderful how that medicine helped me. My kidneys and stomach are better and I have at last got something

that relieves my nerves and helps me to sleep." Ask James Cummings, 84 1/2 Spaulding street what he thinks of GOLDINE for kidney trouble.

Goldine is sold in Barre by Cummings & Lewis and all leading dealers throughout this section, including the towns of East Barre, S. Barre, West Barre, Granville, Willamstown, Washington, W. Topsham and Brookfield.—Adv.

RHEUMATISM DISAPPEARED SAYS WOMAN

This Maine Resident Endured Great Agony Until She Tried This Blood Builder.

There are many people to-day who are suffering from rheumatism who could gain complete restoration to health and freedom from pain by building up the blood.

There are many methods of treating rheumatism, but most of them are directed at the symptoms and aim chiefly to soothe the pain. Such remedies are temporary in their effect. A treatment that builds up the blood gives strength to all parts of the body and enables the system to expel the poisons of the disease.

A good example of the successful treatment of a case of rheumatism is that of Mrs. Julia Nason, of No. 8 Porter street, Biddeford, Me.

"I had suffered from rheumatism for the past ten years," says Mrs. Nason, "and nothing seemed to give me any relief. As the attacks continued they became more severe and I was very nervous, especially at night. My limbs pained me constantly and swelled and my feet were numb."

A newspaper announcement led me to try Dr. Williams' Pink Pills and I was surprised to find that I had improved wonderfully after the first box. I slept better nights and seemed to be less nervous. I continued the treatment until the pains and numbness disappeared as well as the swelling. I shall always recommend Dr. Williams' Pink Pills for cases of rheumatism caused by poor blood."

The purpose of Dr. Williams' Pink Pills is to build up the blood. They do this one thing and they do it well. They are for this reason an invaluable remedy in diseases arising from bad or deficient blood, as rheumatism, neuralgia, after-effects of the grip and fevers. The pills are guaranteed to be free from opiates or any harmful drug and cannot injure the most delicate system.

"Building Up the Blood" is a booklet full of useful information. Every mother and every growing girl should have one. It is sent free on request by the Dr. Williams Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail, postpaid, on receipt of price, fifty cents per box; six boxes for \$2.50.—Adv.
